IN FULL BLOOM: THE ONE AND ONLY CONTESSA ROSE

Dear *Voluptuous*,

Georgia peach Contessa Rose from the Holiday '09 issue sure looks ripe and sweet. I love her E-cup tits and her pussy that looks good enough to eat. Even though I prefer hair down there, she is a redhead, so I can let her bare snatch be the exception.

Especially since Contessa has such a cute bubble butt that I want to suck and fuck. I would love to bury my hot, wet tongue between her ass cheeks and lick her winking starfish. I would love to slide my hard rod into her asshole and pummel her with my dick while holding on to her ripe tits. I would enjoy filling up her tight rear. Please let us see more of this newcomer.—B.C., Old Bridge, New Jersey

Dear

Voluptuous,

Contessa Rose is a hit with this redhead lover right here! Great work, guys! She has a great set of tits and a wide, plump ass that doesn't quit, but what I love about this girl is that she has

such a unique face. Maybe it's just me, but she comes across as a little bit Asian. Maybe it's her eyes, but she looks like a redheaded Asian girl, which really turns me on, big time. The whole combination of her red hair, fair skin and big tits is phenomenal. Does she do XXX? Where else can I see more of her? Does she have movies? Please hook me up because I have cum all over her pics in my magazine already!—I.V., Omaha, Nebraska

Dear *Voluptuous*,

Sometimes I buy your magazine and hope for the best because you don't always have girls that I like. But that was not the case with the Holiday '09 issue. It was, at least to me, the best issue you have put out in a long time. All of the ladies were lovely and then there was my favorite girl you have ever featured, Contessa Rose. I think her breasts, with their creamy skin and pink, hard nipples are perfect. I like that she looks like a nice girl but you can tell she is nasty and a sex fiend by her answers in the magazine. Her pussy looks like it tastes really good, too. Please show us more of her. I

would like to see her with a big toy shoved in her asshole. Or even a stiff cock. She looks like she likes it right up her ass. Bring her back for the fans, man!

—U.G., Erie, Pennsylvania

Dear *Voluptuous*,

You featured this

hottie in the Holiday '09 issue that was out of this world! Her name was Contessa. She looks like one of those old-school pinup models. She is perfect from the front and from the back. She has amazing T&A. Her body is made up of 100 percent dangerous curves that I want to grab on to! Where can I get my hands on more of her magazines or maybe some video of her? Is she on the Web? Thanks!—Henry, via the Internet.

Dear Contessa fans: We received so many letters from all of you guys who love Contessa and want to know where you can find more of her, so here is the info that you are all looking for. You can check Contessa out in her XXX debut in this magazine on page 91. (Well, that is if you get the uncensored version of the mag. If you don't and would like to, please see the subscription ad on page 4 of this magazine or you can order it online!) Contessa also makes her XXX debut on DVD in the feature film *Boob Science* available at the eBoobStore.com. And, if you have to have your fix of Contessa right now, you can check out her online XXX debut at SCOREland.com. (Raunchy fucking in crystal-clear HD video. You can't beat that!) You can also watch her give SCORE model, Eva Notty, a sensual belly-dancing lesson with lots of big tits shaking. All those curves undulating and shimmying are not to be missed, gentlemen!

KARINA HART: SHE HAS A GREAT SET OF...LEGS?

Dear *Voluptuous*,

I just watched Karina Hart's *As You Wish*. Holy shit, she is frickin' perfect. That cute face and sexy black

Contessa Rose's debut in the Holiday '09 issue caused quite the stir with readers. She is currently starring in *Boob Science* doing XXX!

hair compliment her awesome body. She has beautiful tits with pretty nipples and lovely pussy lips that glisten. I love her perfect ass and she has a really pretty asshole to

boot. But I must say the part of her that turns me on the most is her legs. Sorry to be redundant but perfect is the best word to describe them. The way they are shaped is just too much. Creamy white and so sexy that I just could not take my eyes off them. I would die to suck on her luscious, thick thighs for just five minutes. Where can I get a list of every DVD she has starred in? I wish to purchase every single one of them. Thanks and keep up the good work!—M.C., Woodhaven, Michigan

Dear M.C., We agree that Karina Hart is a drop-dead gorgeous lady. You can catch Ms. Hart in the following flicks: Hart On,

Busty Riding Academy, Hooter Hotel and of course, As You Wish, which you already have. I recommend Busty Riding Academy where you can catch Karina in her first-ever tug-job scene. There is nothing like seeing this beauty drain a cock with her dugs! You can score these DVDs online at eBoobStore.com. Thanks for the letter and write in again soon!

SAMANTHA 38G: ONE OF THE GREATEST PLUMPERS

Dear *Voluptuous*,

I want Samantha 38G to be the mother of my children. I have followed her career for years now and I have been in love with her since the first time I saw her. Samantha's horny performances never let me down, and every time I see her huge, veiny melons, it is like the first time I ever saw them. When it comes to curvy, busty women, no one is hotter than Samantha. She is number one.

I recently saw *My Big Plump Wedding* and was blown away. I don't know how you guys are going to top that one in the quality of the models and the hot sex. This DVD has Samantha at her

Reader M.C. from Michigan is more interested in Karina's stems than her tits!

finest. She looked absolutely stunning in her tight wedding dress and veil, and her bridesmaids also made my cock stiff. It also seemed to me that her tits have gotten bigger. Like fine wine or a quality violin, Samantha just gets better and hornier with age. She must

be at her peak now, and it really shows. If possible, could you bring Samantha back for a retro themed shoot? I get nostalgic for the days of my youth

and would like to see her in some kind of pin-up theme shoot. Thanks and remember, your subscribers can never get enough Samantha! She's legendary! -H.G., Albuquerque, New Mexico

Dear *Voluptuous*,

Let's talk about Samantha 38G for a minute. I love her tits, hate her ass. I know she's a big deal and all, but I just wanted to share my opinion about her. I'll probably get crucified for this, but

whatever. Plus, only show frontal shots of her. Her rear side is NOT her most flattering side. I'm not knocking because she is one of my favorite models, but I strongly suggest only showing what made her famous in the first place—her tits. Her ass does nothing for me. Please avoid it. This is a big-tit magazine; let's not turn it into a big-butt mag.—J.M., Orlando, Florida

Dear *Voluptuous*,

You guys have really hit your stride! Both the October and November issues were excellent, packed with some of the most beautiful women I have ever seen. It helps that most of them didn't have a waist size of less than thirty inches. I just can't seem to get in to skinny women. If you can keep bringing me gorgeous girls like Samantha 38G and Renee Ross, I'll keep buying!—A.S., via the Internet

TATS FOR TITS PLEASE!

Dear *Voluptuous*,

I don't think I have what's considered a fetish, just something I like to see once in a while. Often in your (Greatest magazine in the world!) issues we'll see girls with tattoos, but it's almost as if we're covering them up and sometimes not drawing any attention to them at all. Why? Guys love that! The chicks that get that tat right in

the small of their back (Some call it a tramp stamp.) are so sexy! Plus, I think it's hot on any other parts of their body, too. Think how sexy Dawn Stone, Bunny De La Cruz, Victoria Lane, and Gwen Etoile are with that lovely ink on their already immaculate bodies. How about an entire issue with girls with body art? Just remember to take shots (I mean PHOTOS!) from the backside so we can see all the work! Other than that, keep up the good work. I love my V-mag! —S.G., via the Internet

KUDOS FOR DECEMBER '09

Dear *Voluptuous*,

I have been reading Dec. '09's *Voluptuous* magazine. I really did enjoy it and looking at your selection of models. I particularly liked Hillary Hooterz, Sophie Mae and Kelly Kay. I liked the way the models look at you in the first photos of the photo shoot. I enjoy the anticipation of seeing these very well-built women naked, especially the different angles of the photos. I will reread your magazine taking in every word and every suggestive pose of the V-women. Congratulations and thank you.—A.M., via the Internet

Dear *Voluptuous*,

I am so happy with your Dec. '09 issue of *Voluptuous* that I am writing to

SOME OF THE **HOTTEST V-GIRLS** TUGGING ON YOUR MEAT!

This fifth volume of *Tits & Tugs* is packed with 15 scenes and we are NOT showing you all of them. Why? Because some of the ladies are, yes, augmented. GASP! Now why would we even discuss this movie with you natural boob lovers? Are we crazy? Have we lost our minds? It sure looks like it! But the truth is that the raw hotness of the naturals in this movie was so intense, so primal, that we had to show you their scenes. WE HAD TO. Every scene is shot in P.O.V. That means you're the boss and these hotties are stroking your meat with their delicate hands. They are sliding their cushiony jugs up and down your pole until you coat them in nut-sauce. It's your show, pal.

you guys for the first time ever. You all did a great job and the girls in this issue were A+! Keep 'em coming and keep me cumming, too! You've got a fan for life.—G.C., Brooklyn, New York

MORE INTERRACIAL ACTION IN V-MAG, PLEASE

Dear *Voluptuous*,

First of all, I would like to say I am a big fan of your magazine and have been since your premier issue. I also happen to be a black man.

A few years ago I wrote to you guys a letter about the issue of having your models do interracial XXX pictorials and videos. I noticed after that letter was published, you guys were flooded with letters from your readers that you printed saying they did not want it.

I understand that your magazine is geared toward a dominant white male readership. But you also have a lot of black male readers that enjoy your magazine as well. The issue of interracial with The SCORE Group has been debated on various blogs and message boards throughout the Internet among black and white readers for some time. There are a lot of opinions for it and a lot of people are against it.

I have noticed on eBoobStore.com and in the catalogs that are mailed to me, that 99 percent of your pictorials and videos all show your models performing with white men. What's odd is that all your black models pose and perform with white men, also.

I understand that the models get to pick the male talent they perform with. I doubt seriously they are all choosing white men to be with in your products, especially if they're black models.

What I think you guys fail to realize is that what you guys produce is a fantasy for your readers and that it is kind of hard to fantasize about your product when the male talent does not reflect you to some degree.

I have seen letters from your readers in the past saying there are plenty of places to get the material I am requesting. This is true, but the quality is not to the level of what The SCORE Group produces. The quality I prefer.

As you already know, interracial porn between black men and white

DEBUT**

Anna Beck

Meet Anna Beck, a 22-year-old G-cup stunner from Prague whose dream was to become a plus-size model. So when our lens men spotted her and her lush breasts, barely con-

tained in a tiny tank-top and approached her for posing, she was more than ready to unwrap her rack for you. "I love the camera, and it loves me," she said. Indeed, Annie.

Anna Beck

Birthday: May 18, 1987

Age: 22 **Height:** 5'6"

Weight: 183 lbs. **Bra:** 38G

Measurements: 45-36-38

Lives: Prague, Czech Republic

Hobbies: Singing,

Photography, Knitting

Occupation: Dental Assistant

Anna had done some modeling for a friend's photo portfolio, but never considered nude modeling until she saw a copy of V-mag and was floored. "So many beautiful women that looked like me in one magazine. It was like I had finally found my calling. I wasn't even nervous about being nude. Once my hair and makeup were done, I felt so beautiful and sexy that I was excited to show off my body and my breasts."

Anna hopes that you will love her as much as she loved posing. "The whole time I was doing my photo shoot I wondered about the men who would be looking at my pictures and lusting over me. I found myself fantasizing about them being turned on and hard!"

INTERVIEW

**V-MAG
DEBUT**

**Carrie
Ashton**

**NAUGHTY
AND NICE
NEWBIE**

Interview by **Maria Guerrero**

We have a saying here at V-mag headquarters when we come across a new-comer that we think is going to become a fan favorite right away and that saying is, "Prepare to fall in love!" Well, the minute we saw 23-year-old Carrie Ashton in the studio, we knew that it was love at first sight. This brunette stunner came to us by way of Kansas City and she possessed a sensuality that drew everyone in our studio to her. When we first sat down to interview her, we thought that this tattooed, pierced siren was going to blow us away with smoldering tales of her sexual conquests. But what happened was quite the opposite. She turned out to be a nice girl. In fact, we were blown away by how nervous and shy she was despite the fact that she came across as such a confident vixen in her first photo shoots of the day. Carrie is that perfect cliché: A sweet, shy girl from a small town. And although Carrie is a soft-spoken young lady, we are convinced that she will melt your heart with her hot body and her incredible rack. We think that Carrie is the perfect girl-next-door; sweet, funny and built like a brick house and we would like to move in to her neighborhood, as soon as possible! So without further ado, we would like to say, V-mag readers, prepare to fall in love with this lovely lady and her E-cup perkies! Carrie is destined for greatness.

V-MAG: Hi, Carrie! Welcome to *Voluptuous* and thanks for sitting with us today.

CARRIE: Hi! Thank you for having me. I am really nervous. I have never been interviewed before. I'm very, very nervous.

V-MAG: Well, don't worry, Carrie. We are very gentle and we promise to take

your interview cherry with finesse and ease.

CARRIE: [Laughs.] Okay. That doesn't sound too bad.

V-MAG: Why don't you start by telling us where you are from and how old you are.

CARRIE: Okay, I am from Kansas City, Missouri and I am 23-years-old.

V-MAG: And what do you do for a living in Kansas City?

CARRIE: Well, I work retail as a sales associate, full time.

V-MAG: And how did you come to V-mag, Carrie?

CARRIE: Well, an ex-boyfriend of mine buys a lot of your videos and at the end of one there was this commercial to be a *SCORE* model and he saw it and convinced me to come and model for you guys. I thought, hey, I can do that and here I am.

V-MAG: You saw the ad with Gianna Rossi and you were convinced right away?

Bare Facts

Carrie Ashton

Birthday: December 14, 1986

Age: 23 **Height:** 5'5"

Weight: 172 lbs. **Bra:** 38E

Measurements: 43-28-34

Lives: Kansas City, Missouri

Hobbies: Playing video games and dancing.

CARRIE: Well, at first I was a little bit nervous about it, but he encouraged me and then I figured, hey, you only live once, so I decided to come and do it.

V-MAG: Are you somewhat of an exhibitionist?

CARRIE: Um, no. Actually, I am really shy.

V-MAG: Wait, wait. When we first saw your pierced nipples and tattoos we said to ourselves, now here is a girl who likes for people to look at her sexy body but you are saying no, that you are shy and reserved?

CARRIE: [Laughs.] Yeah, I know. People think I am wild but I'm really, like, a video game nerd.

V-MAG: Do you like to go out? Are you a homebody?

CARRIE: Sometimes. It depends. I am usually home, though. I like to just relax and play games and chill.

V-MAG: Okay, Carrie, let's rewind a little bit. Let's talk about your boobs and when you first got them.

CARRIE: I would say I was about 10-years-old and in fifth grade. I was really young. I was about a B-cup by then.

Then by the time I was a freshman in high school they were a DD-cup.

V-MAG: Did the other girls have boobs that were as big as yours?

CARRIE: No, I was pretty unique.

V-MAG: A lot of our models tell us horror stories about how they were teased unmercifully for having big boobs when they were younger. Did that happen to you, too?

CARRIE: Not really. I mean, a lot of the guys would say stuff about them, but I think it was more, um, perverted than malicious. They wanted to touch them or talk about them. All of the girls pretty much left me alone.

V-MAG: Did you play any sports? Were you a cheerleader?

CARRIE: Um, actually I played volleyball and I was on the wrestling team, too. I was never a cheerleader.

V-MAG: Wait, wait, wait. Did you just say that you were a wrestler in high school? Did we hear that right?

CARRIE: Yes, I went to State Championships and everything.

V-MAG: Okay, wait. You wrestled? Like, other girls? How does that work? Tell us about the world of girl-

on-girl wrestling. Does it involve oil?

CARRIE: [Laughs.] Actually, I wrestled a lot of guys, not girls.

V-MAG: Excuse us for a second. We are about to keel over from shock.

CARRIE: [Laughs.] Yeah, it's not typical, but I did it. I wrestled.

V-MAG: How did that happen?

CARRIE: Well, they told me that I couldn't do it. And when you tell me that, I just become determined to do it. So, I beat out my weight class in varsity and they let me on the team. I pinned him and made the team.

V-MAG: Were you the only girl?

CARRIE: No, there was one other girl on the team, too.

V-MAG: Did you guys wrestle each other? Was there oil involved there?

CARRIE: No, no oil. [Laughs.] And no, we didn't wrestle each other. She was all skin and bones, so we were different weight classes.

V-MAG: So, you're grappling and rolling around with these dudes. Did they cop a feel at any point?

CARRIE: Sometimes they would, but most of the time they wouldn't want to wrestle me because I was so good. They were afraid of me.

V-MAG: Okay, so let's paint a picture for our readers. You're on the mat, facing your opponent. He is supposedly afraid of you. What are you wearing at this match?

CARRIE: The spandex onesie that all wrestlers wear.

V-MAG: Weren't your boobs like spilling out of that thing?

CARRIE: Well, not really. You see, I would wear a really tight sports bra and then my coach would wrap an Ace

bandage around me and then duct tape around that, so I was pretty stuffed in there. My boobs weren't going anywhere with all that on there.

V-MAG: So you wrestle these guys, you are in all these positions, scissoring them and mashing your hot body all on them...didn't they get turned on? Didn't you feel their, um, call of the wild on your body at some point?

CARRIE: [Laughs.] No. They had cups for that kind of thing.

V-MAG: Did they ask you out?

CARRIE: Not really. Nope.

V-MAG: What? Were they all gay?

CARRIE: [Laughs.] No, but they might have been intimidated or seen me as just one of the guys.

V-MAG: Carrie, in a million years, no man could ever see you as just one of the guys. Your curves are far too hot. Were you a Tomboy? Was that it?

CARRIE: Oh, yes. Very much so. I wasn't very girly. I would wear basketball shorts and T-shirts and jeans. Nothing frilly or cutesy.

V-MAG: Okay, so let's go back to wrestling for a second. You said you went to the State finals. Did you win?

CARRIE: Well, I actually got disqualified because I dislocated my shoulder.

V-MAG: Some animal guy did that to you? What a jerk! Tell us his

after that. So, I finished at that point.

V-MAG: Okay, so do you wrestle or play sports now? Are you in school?

CARRIE: No and no. I would like to go to school, though. I would like to go to become a surgical technician.

V-MAG: So you don't go out, you work a lot, and you stay home and play video games. You are basically a, um, nerd. You're a hot nerd.

CARRIE: [Laughs.] Yeah, I am.

V-MAG: Do you date? What kind of guys do you date? Nerds, too?

CARRIE: I date when I can. And I like guys with nice teeth. I always look at his teeth. If they are nice, I like that.

V-MAG: Now, let's say a guy with nice teeth happens to come into your store while you are at work. What does he see you wearing?

CARRIE: Ugh! My work clothes are so terrible. Very professional. Very frumpy. Nothing revealing at all.

They are cute, but they actually make me look bigger than I am.

V-MAG: And when you are not working, what are you wearing?

CARRIE: When I am home, I like to lounge. I wear basketball shorts and T-shirts or sweats. I like to be comfy.

V-MAG: And when you are out to a club or out to party?

CARRIE: Then I will wear a dress. I like stilettos, too. I like to dress up

to go out, but for every day I am very casual and relaxed.

Even though I am not very girly most of the time, I like getting all sexy when I got out. I like to look hot.

V-MAG: Do you get a lot of attention when you dress that way? Do you cause a commotion?

CARRIE: Yeah, I get tons of attention. Sometimes I like it, sometimes I don't. I don't like it when guys are too overbearing about it.

V-MAG: When you are out at the club, what kind of music do you like to listen to? Do you go out dancing?

CARRIE: I like a lot of hip-hop and classic soul music. I also listen to a lot of R&B. I like to dance, too.

V-MAG: Do guys hit on you?

CARRIE: Oh, yeah. All the time, but they are so rude that I ignore them.

V-MAG: Describe the wrong approach so that the guys reading this can know how to score points with a girl like you, Carrie.

name!

We will avenge you!

CARRIE: [Laughs.] Actually, I did it to myself. I was pinned and in order to get out of it, I dislocated my shoulder. So I got disqualified. It was just something that happened. I just couldn't go any further

Pickin' Up Meat on the Street

Camelia Davis

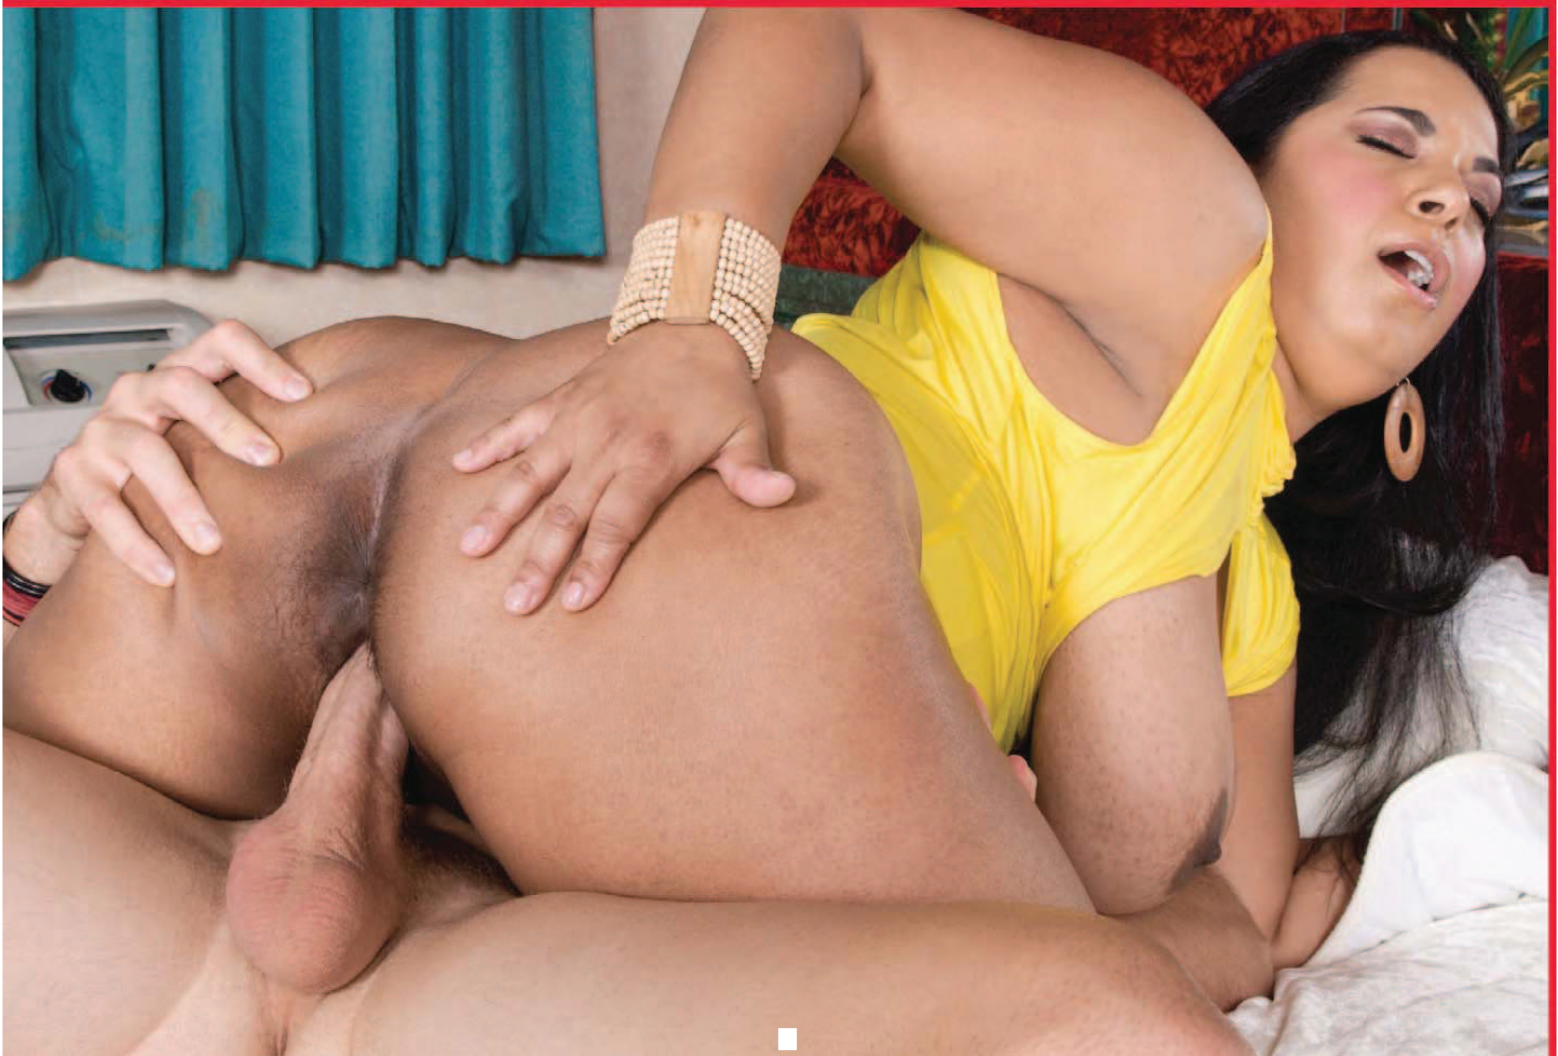

When Camelia walks down the street, she is used to men whistling and ogling her. But when this guy blatantly tells her that she has nice tits, she does him one better by grabbing and complimenting his big package and then taking him upstairs for further inspection!

Camelia doesn't hesitate to put this horny stranger in his place...and that place is in her mouth! She greedily gobbles up his cock because she likes to get a cock wet before sitting on it. She pulls and twists her nipples while getting piped, too, for extra stimulation.

Camelia gets so turned on by banging a stranger that she starts to watch herself in the mirror overhead and talks dirty to him to encourage him to pound her pussy. She rides and grinds on his hard meat and her caramel-colored floppers bob and weave with each bounce. The harder she rides, the louder the gushing of her pussy juices get and the stiffer her brown nipples become. And when this stranger pulls his shaft out of her cunt and sprays her titties down with a wave of cum, she is so satisfied that her job is done, that she rubs it in greedily!

Tit-to-Tit and Clit-to-Clit Action

Perkies by the Poolside

The last time we saw Shyla in the Sept. '09 issue, she was having her pussy serviced by the landscaper. This time Ms. Shy is back lounging by the pool in a teeny micro-bikini that leaves very little to the imagination and a lot of tit flesh for your cock. "It's hard for me to find bathing suits that cover my bust, so most of the time, half of my tit is either coming out of the bottom or the sides of my top, but no one ever complains."

"I like to be out in the sun and I love the outdoors, especially because I enjoy wearing as little clothing as possible. Sure, I am shy, but who doesn't like relaxing in a bathing suit and soaking up the sunshine. The only thing is that I can never go to the beach and blend in with the other girls in bikinis. When I wear one, there are bound to be guys looking at me and trying to get my attention. My tits cause quite a commotion on the beach."

CARRIE ASHTON

Continued from page 34

CARRIE: I just hate it when a guy comes up to me and says things like, "Your boobs are really enormous, let me see them." I think that it's really rude. I get pissed and walk away.

V-MAG: Has any guy ever crossed the line with you before?

CARRIE: Yeah, there have been guys who have groped me and grabbed me before without permission.

V-MAG: What do you do when that happens? Does it happen a lot?

CARRIE: Well, I will put this out there right now, if you grab me, I am going to kick your ass. Period. You shouldn't touch women like that. It's violating.

V-MAG: Okay, now the guys know. You are an ex-wrestler, tough chick and you will beat them up. Truth be told, that kind of turns us on, Carrie.

CARRIE: [Laughs.] Thanks, I think.

V-MAG: We like tough girls. Now, how do guys approach you so that they don't get beat up?

CARRIE: I am a little bit of a hardass. I am hard to get. A guy should be polite, have a great personality and treat me with respect. That works with me more than pick-up lines or phony charm. I can see through that. Sometimes some of the pick-up lines are funny, though. I will admit that.

V-MAG: What is the best pick-up line you have heard, Carrie?

CARRIE: This one guy told me that he was a grower, not a show'er. I thought that was pretty funny.

V-MAG: Okay, so let's say a guy approaches you and he manages to not say anything that is going to get him socked in the face.

CARRIE: [Laughs.] Okay.

V-MAG: Where can this lucky guy take you out for your perfect date?

CARRIE: Actually, I can't stand going out to restaurants because a lot of times, when I do go out, people stare at me because of my boobs and they act stuck up and full of themselves. That is not my idea of a good time. I prefer to get takeout and stay home and watch the game on T.V., or, like, a movie.

V-MAG: So, you like to watch sports?

CARRIE: Oh, yeah. I love sports. I love basketball. I like to watch it.

V-MAG: Who is your favorite team?

CARRIE: [Laughs.] Okay, it's not a team, per say. I actually love the Harlem

Lucy

When Lucy last graced the pages of V-mag, in the Nov. '08 issue, she told us that she was comfortable nude because she likes her body and her pendulous breasts. "It doesn't matter to me if someone is looking at me. I like the appreciative lust I see in their eyes."

Lucy

Birthday: September 5, 1980

Age: 29 **Height:** 5'9"

Fantasies: "I would like to be seduced by a couple.

Preferably a married one."

Lucy says that the photographer who took these photos was interested in much more than just her poses. "He kept looking at me and I could tell that he fancied me as much more than just his subject. Finally, I took the bull by the horns and told him that if he wanted to shag me, I was game. But I told him we had to finish my shoot first. I didn't want him to ruin my hair and makeup before we'd finished taking these pictures!"

And what was it that made the photographer wild with lust? "It was my bush," says Lucy. "Nowadays, with so many women waxing and shaving down there, it'd been ages since he'd seen pubic hair, much less red pubic hair. He was drawn to my fiery bush like a moth to a flame. I find that most men are. It's kind of a novelty to be hairy!"

Globetrotters. I really like trick ball.

V-MAG: And what is your favorite kind of takeout food? Chinese? Pizza?

CARRIE: I love wings. Chicken wings are my favorite. With lots of hot sauce.

V-MAG: So you like it nice and hot?

CARRIE: [Laughs.] Yes. Very much so.

V-MAG: I think we should talk about sex, Carrie. The time has arrived.

CARRIE: Oh, boy. Here we go!

V-MAG: As a model, you are only doing solo posing, but would you ever consider doing boy-girl and XXX?

CARRIE: Um, I like the solo modeling. It's fun and exciting, but I don't think I would ever do XXX at all. Sex, to me, is very intimate and I could only do that with someone I care about. Not that I knock porn at all, because I watch it and I love it. But doing it, on camera, with some random guy...well, it's just not for me. I couldn't do it.

V-MAG: Okay, so you can't do it with a guy, but how about a girl? Are you into girls at all? Have you had sex with one?

CARRIE: Yes, I have been with a woman before. I have only fooled around with one girl, but a few times.

V-MAG: How did that come to be?

CARRIE: Well, she and I were roommates and I was dating this guy. He had this fantasy of having a threesome, so one night we made it happen.

V-MAG: Now, are you aggressive with women, Carrie? Or do you like them to be the aggressors when it comes to sex?

CARRIE: I would say that I am more the aggressor with girls.

V-MAG: Do you think that men are better at foreplay and sex, or women?

CARRIE: Um, I would say men.

V-MAG: And you have been with a woman alone, right? Not in a a three-some, but just you two?

CARRIE: Yes, I have, but I think I get off better with men because I like penetration. Women can't do it like that.

V-MAG: And when you are with a man, what is your favorite position?

CARRIE: Um, it's kind of hard to describe how it is. It's like on my side. Spooning, sort of. And my legs are up in the air. It just feels good. In that position, I can be penetrated deeper.

V-MAG: So, since it's about penetration and not clitoral stimulation for you, how important is foreplay to you?

CARRIE: I want to say that I enjoy it a whole lot. But I prefer to be giving the

CARRIE: Yeah, I like to take care of my man. I enjoy doing that for him.

V-MAG: And by that you mean?

CARRIE: Oral sex. I like giving oral.

V-MAG: Can you tell us some of your B.J. tricks? Maybe reveal some of your blow-job mojo to us?

CARRIE: Um, I can't really say that I have tricks or techniques.

V-MAG: How do you go about it? What do you have to do to give good head?

CARRIE: I think that you have to do it all. You have to do everything. Work the whole cock and the balls, too.

V-MAG: Does it have to be sloppy? Do you have to use your hands?

CARRIE: I don't think everyone has to give sloppy blow jobs, but I prefer to use a lot of spit because I am a nasty girl in the bedroom. But you definitely have to use your hands and work the balls.

V-MAG: And do you swallow?

CARRIE: No. I don't like to swallow.

V-MAG: Where do you prefer it?

CARRIE: I don't mind if a guy wants to cum on me, but just not in my mouth.

V-MAG: Do guys ask to cum all over your big tits a lot?

CARRIE: Sometimes, but not a lot. Not, like, all the time. I don't think they are as interested in my tits. The guys that I date are not really boob lovers.

V-MAG: You are going out with the wrong guys, then. Date boob guys!

CARRIE: [Laughs.] I probably should. I think the guys that I date are more into curves and ass. They like my boobs, but they like the whole package.

V-MAG: Do you use your boobs when you give a blow job, Carrie?

CARRIE: I do, but not, like, all the time. But I have done it before. The skin on my breasts is really sensitive, so when I use them for that, they get really red and blotchy, so I don't do it all the time.

V-MAG: Do you like getting head?

CARRIE: I do, but not a lot of guys can do it the right way. It's not good when someone does it and it doesn't get you off, so usually I prefer to give. I have only gotten head from, like, two guys before. It just doesn't do it for me.

V-MAG: Maybe those guys are not good at it. We think you need more head time, Carrie. We think you can't say no to head just yet.

CARRIE: [Laughs.] Maybe you are right.

V-MAG: You said that the guys you date are into your ass. Now, by the

Lanea Love

The last time that we saw Lanea in the Feb. '09 issue, she was giving us the skinny on how she likes to fuck on balconies and be taken from behind while hearing nasty dirty

talk. Well, Lanea is back and this time, she wants to talk dirty to you. "I like to speak to men in Spanish. I think they like the idea of being fucked by a hot, Latina mamacita!"

A full-body photograph of Lanea Love standing and facing the camera. She has long, dark, wavy hair and is wearing a blue bikini top and matching blue and white striped bottoms. The background is a red wall with a black grid pattern.

And she is a lady who means what she says. "I don't mind if a guy wants to cum in my mouth. I like it. I think it's sexy to look at a man and swallow all of his cum while he watches. It's my way of saying thank you for the sex and thank you for making me cum so hard."

Everyday musings by a big-tit connoisseur

By Dave Rosenbaum

Survey says...the trend is to the classic V-Girl!

By the time you read this, we'll know who the members of SCOREland.com have named the No. 1 big-boobed babe of the decade. For over three months, this daily contest asked members to choose from among the top 100 girls who debuted in *SCORE* and *Voluptuous* over the past decade and count them down from No. 100 to No. 1. As this issue goes to press, I don't know who No. 1 will be, but I do know several things:

1. The classic V-Girl has surpassed the classic *SCORE* Girl in popularity among SCOREland.com members. I know this because the first 12 girls voted off (and 15 of

the first 18) were augmented *SCORE* Girls, among them former Model of the Year/Newcomer of the Year, Crystal Gunns. It was a bold (although not necessarily shocking) statement by SCOREland.com members who basically declared that the slim 'n' stacked '90s are ancient history.

2. SCOREland.com members are not big on black 'n' stacked babes, who accounted for four of the first 19 girls voted out. I suspect that V-Mag readers feel differently about this subject.

3. The classic V-Mag girl has become the No. 1 choice of boob lovers, so much so that Angelina Vallem, who's an excellent model but has never won any awards, has fared exceedingly well in the voting. But so have Renee Ross, Brandy Talore, Sharday, Nicole Peters, Bozena, Christy Marks and many more. As this is being written, Karina Hart is starting to pick up steam in the voting (Which, in this case, means members aren't voting for her because in our "Best of the Decade" contest, the girls with the least votes win.).

Yet, there have been some surprises. Cherry Brady ended up at No. 66 and I think she's one of the best V-Girls ever. And Janet Jade ended up at No. 62. There go those black 'n' stacked chicks again. And Ashley Sage Ellison, who just might win *SCORE* and *Voluptuous* Newcomer of the Year (Although I think that Renee Ross might have something to say about that.) was voted out at No. 61.

I'm sure many of you are V-Mag readers and SCOREland.com members. I'm interested in knowing how you voted and why, so please chime in and let me know your thoughts on the outcome.

[Want to comment? Contact the blogger at rosenbaumd@scoregroup.com](mailto:rosenbaumd@scoregroup.com)

Voters picked off Cherry Brady (above) and Janet Jade (below) early on.

Paris: City of Tits

Paris, city of tits? Really? Since when? Isn't Paris known for really thin, long-legged women with B-cup tits? You know that old saying about perfect breasts fitting into a champagne glass? I think it originated in Paris.

But check this out: V-Girl Natalie Fiore is from Paris, and over the past few years, V-Girls Anna Song and Angela White have lived in Paris. Maybe those Frenchies will finally learn a thing or two about boobs.

Angela moved to Paris to attend school. She recently graduated, so congratulations. And what's that other old saying about brains and boobs? Looks to me like the bigger the smarter.

WHY ASK WHY?

Yeah, there are a lot of stupid questions out there, but one of the stupidest ever to be asked is, "Why do guys like big tits?"

This question is idiotic because it can't be answered and shouldn't be answered. Guys like big tits because their cocks tell them to like big tits. No guy sits around thinking, "I wonder if I like big tits." You know for sure when you see a busty girl in public and your cock gets hard.

I'm not mad about this. I just think it's a waste of time to think about. By the way, I also think all straight men like big tits, and any guy who doesn't like big tits probably isn't straight. That's my opinion, and I'm sticking with it.

The boob tube is becoming the boob tube once again.

Speaking of V-Girls, it should come as no surprise that their popularity is not limited to our magazines and websites. Curvy naturals are busting out in the mainstream media, too.

First, it gives me great pleasure to report that when the Showtime sitcom *Californication* needed a hot, young student to seduce Hank, the show's main character, it didn't go for a skinny college waif. It went for Eva Amurri, Susan Sarandon's curvy daughter.

Now, Eva Amurri is no V-Girl. Her tits are full C-cups at best. But she has hips and curves and a little bit of sexy extra weight on her tummy, and best of all, she isn't afraid to get naked on camera. This is Showtime, you know. Ms. Amurri's character is a college student by day and a hot stripper by night.

Then there's the A&E drama *Mad Men*, which is must-see TV for V-Girls, not because of the plot (the show is generally boring) but because it takes place in the 1960s, when women were proud of their curves and encased their big tits in conical bras. The star of the bunch is Christina Hendricks, who plays the secretary Joan. She has red hair, big tits and a nice, big ass, and she stuffs her assets into super-tight clothes.

Of course, the mainstream media can't handle her curves. One article described Joan as, "The only lead female character on television popularly understood to be both fat and attractive in the context of the show and in media coverage." Sorry, asshole, but Joan's not fat. She is, however, very sexy.

All of this is happening at a time when the mainstream media is also telling us that big boobs are out and many celebrities are getting breast reductions. Well, this is total bullshit. In fact, incredibly, Amy Winehouse, the British singer who had big tits until she destroyed them with crack, recently got a breast enlargement and wants to add onto her ass, too. Listen, I know this is V-Mag, and I preferred Amy when she was curvier and not doing drugs (or as many drugs), but given the choice between rail-thin and flat or surgically enhanced, I'm going for the augmented girl each and every time.

Did I just say something offensive to V-Men? Hey, sorry. You know, I am the editor of *SCORE*, too.

Devin Taylor

Devin Taylor returns to our pages triumphantly since her last appearance in the June '06 issue. When we asked her what she missed about being in V-mag, her answer was loud and clear. "I missed the fans and their appreciation of my breasts and my body. There is nothing better than showing your body off confidently and getting compliments, too."

A close-up photograph of a woman with long blonde hair and large breasts. She is looking directly at the camera with a slight smile, her right index finger touching her lower lip. Her breasts are the central focus, with the top one prominently displayed in the foreground. She is wearing a thin necklace with small blue beads. The background is a soft-focus indoor setting with a white cloth and a wooden chair visible.

Devin has only ever posed for The SCORE Group and that's because she wanted her fans to get the best-quality mags and videos around. "I have always been proud of my body and I wanted to show it to my fans the right way. V-mag and SCORE have always been synonymous with high-quality products and when all of my fans get my DVD, *Devin Does South Beach*, or buy the magazines that I've been in, I know they're getting the best from the best."

And what is her favorite thing about being featured as one of the most-popular Plumpers by V-mag? Being recognized by fans, of course. "It's always nice when someone comes up to me and tells me how much they appreciate me and how great I look. It's such a compliment and so sweet. I love it."

women is one of the top-selling genres in the porn business and it is somewhat of a mystery to me how you are not producing this type of material at all.

I know there is a small minority of readers out there that agree with me, and have written about this. They have accepted the idea that interracial will never happen in your products.

My suggestion to make everybody happy is to produce special issues depicting interracial XXX pictorials similar to what you guys produce with *XL Girls* and *Mamazon* magazines. If readers want this material, they can purchase it, if they don't like it, they don't have too. The choice is theirs and it is not being forced on them. The same can apply to your videos and web sites.

Thanks for taking the time to read this, and I hope something positive comes of this.—B.B., via the Internet

DAPHNE CARTER DOES "IT" FOR THIS GENTLEMAN

Dear *Voluptuous*,

Wow! You guys are really on a roll! Every issue brings us really hot women that we all like. Your mag is great!

I just picked up the Dec. '09 issue and this one continues the trend. While the new girls are great, particularly Camelia Davis and Hillary Hooterz, (What an amazing coincidence that her surname should be Hooterz!) I have to confess it's the return of the girls we've seen before that really does it for me. Renee Ross looks even more beautiful than last time, and that's saying something.

But my favorite photo spread this issue is Daphne Carter. I thought she looked hot in the June issue, but she looks totally gorgeous here. I don't know, Renee has bigger tits (Than almost anyone!), but there's something about the way Daphne looks that just pushes my buttons. I guess the girl is just my type! Anyway, thanks guys. Keep it up and I will, too!—A.S., Cambridgeshire, UK

deductive process we think we should ask you if you are into anal.

CARRIE: [Laughs.] Oh, boy.

V-MAG: Carrie, do you like anal. You can tell us. We are in the circle of trust.

CARRIE: [Laughs.] Am I into it? Um, maybe. I mean, I like it. Sometimes.

V-MAG: So you do anal. How often?

CARRIE: I haven't done it a lot. It's not something I do everyday. It's not even something that I do every week. It's just something that happens once in a while that I enjoy from time to time.

V-MAG: Do you get off from it?

CARRIE: Yes, definitely. I get off on it.

V-MAG: Now, you said that you liked sex for the penetration, and not just for clitoral stimulation. Do you like anal for just the penetration, too?

CARRIE: Yes, I do. I don't need any clitoral stimulation for that either.

V-MAG: So what kind of lube do you use for anal sex?

CARRIE: Mostly spit. I mean, they don't just shove it in there. I like it if a guy maybe gives me some oral and then licks my asshole. Or if he is hitting it doggie-style, he can spit on my asshole and play with it. Maybe shove a finger in there, too. It's a process. And I like it when I have already cum a few times from vaginal sex, too. That way I am relaxed and ready to go for anal.

V-MAG: And what about your nipples, Carrie? They are both pierced. Does that mean you are sensitive? That you like them pulled during sex?

CARRIE: Yes, my nipples are super-sensitive and although I like them played with during sex, I prefer that they be handled gently. Like I said, my skin gets all red and blotchy if they are handled too rough and I bruise easily, too. I prefer them to be handled with care.

V-MAG: How long ago did you pierce your nipples? Was it recently?

CARRIE: Almost a year ago, actually.

V-MAG: And did it hurt?

CARRIE: Um, not really. It did right when I got them pierced, but they healed really quickly.

V-MAG: Why did you pierce them?

CARRIE: I think I just wanted to be different. I love tattoos and piercings. It is something that I am into.

V-MAG: Did you think that they'd be more sensitive? Is that why you did it?

CARRIE: Oh, yeah. Definitely. That was a big factor in why I did it. I knew that

they would be even more sensitive. I mean, for about a week after I got them done, I couldn't even touch them, they were that sensitive. They didn't hurt, but every time I touched them, I could feel it all over my body. And now, they are twice as sensitive as before.

V-MAG: Can you orgasm from having your nipples pulled and played with?

CARRIE: No, but it does feel good during sex. I can't complain.

V-MAG: So you are an E-cup now but are your boobs still growing?

CARRIE: I think that they are because about a year ago, I was a DD-cup and now I am an E-cup and my boobs are starting to not fit into my bras. So I think that they are still growing.

V-MAG: And where do you go to buy your bras now?

CARRIE: I go to a store named Vanity. They have lots of different sizes.

V-MAG: Do you like to wear a specific kind of bra?

CARRIE: Well, I wish I could wear cute ones, but it is kind of hard to find bras in my size that are cute, so I go with what fits. I have to wear underwire, that's one thing. I need support. But I wish I could find more colorful bras. Right now I have a nude one, a black one and a white one.

V-MAG: Do you always wear a bra?

CARRIE: Yes, unless I am in a swimsuit, in the shower or asleep.

V-MAG: Did you ever dance, Carrie? The reason we ask is because you're stacked and like to dance.

CARRIE: I danced for two months. But I hated it. It wasn't something I could do all the time. It just wasn't for me. I would see a lot of couples in there and usually I would dance and get good tips from women, but it was just too much for me. I didn't like it.

V-MAG: And now you're modeling.

CARRIE: Yes and I hope they like me.

V-MAG: Trust us when we say, they will love you, Carrie. And with that, we're told that you're needed on set. So, we'll let you go. But thank you!

CARRIE: Thank you! I hope the fans write in about me. I look forward to reading all of their fan letters!

And if the sight of this naughty ginger were too much for you to bear, Contessa wouldn't mind if you joined in and showed her what you're made of. Because while being watched excites her, group sex is her favorite! Why? Because with her firm E-cups, she's built to handle more than one hard cock at a time.

You see, her perky tatas are not the only thing that Contessa will lure you with. She likes her bubble ass spread and speared, too, and isn't afraid of getting a little bit rough, either. She will look at you with her sultry eyes and ask you to pull her ass cheeks apart and spit right on her tight, rosebud of an asshole.
